

**TED ÜNİVERSİTESİ**  
**CMPE 491 – PROJECT PROPOSAL**

**Name Of The Project:** CAKERY

**Project URL:** <https://oursitetedu.wixsite.com/cakeryapp>

**Project Description:** When it comes to a special day to celebrate, we know you want to eat the best cakes in your town. We are here for you. With Cakery, you'll be able to see all available cake shops and their delicious cakes in one application. You can choose one of the displayed items or you can even build your own cake and place an order with just one button and voila! We're here to make sure you get the best cake for your celebration from Cakery to enjoy your special day!
